NOTE 1

1955 - Herman Gallegos became one of the first true scorers in NM Prep basketball. He scored 762 points as a junior. See state basketball program, page 24. Herman was the first NM player to score over 700 points in a season. To top it off, Pecos did not have a gym. All home games were played at St. Mike's in Santa Fe! Herman Gallegos never got to play in the state tournament, but did go as a coach and as an official.
