Note-1

In 1921, St. Michael's beat La Salle Institute 109-18. It is believed that is the first 100 point game in New Mexico, at any level. La Salle was a Catholic School from New York.

Note-2

In 1929, St. Michael's had a very strong team and was expected to easily win district and then state! However, Las Vegas upset the Horsemen 28-24 in the semi finals. Despite the loss, the school was invited to the National Catholic Tournament. Due to lack of funds, St. Mike's was unable to go.

Note-3

In 1940, St. Michael's went to the National Catholic Tournament in Chicago, against the rules of NMAA on post season play. Accordingly, St. Michael's withdrew from the NMAA in order to participate. They won 2nd place by winning 4 games and losing the final to Central Catholic of Ft. Wayne, Indiana by two points. Buster Hiller led the Horsemen and was top vote getter for the all tournament team. St. Michael's did not compete in NMAA in 1940-1941, but played a schedule of town teams, out-of-state teams etc. In the spring of 1941, St. Michael's was reinstated into NMAA.

Note-4

When St. Michael's returned to play in 1942, Coach Salvador Perez led his Horsemen to an undefeated season and another state championship.

Note-5

In 1967, after Coach Dick Shelley had a heart attack, Assistant Coach Don Baca took over and directed the Horsemen to a runaway championship as well as the completion of an undefeated season. The coaches were honored by the NM Sportswriters as "Co-Coaches of the Year."
